## **IMPORTANT INFORMATION REGARDING USING OUR PREFERRED VENDORS LIST**

- 1- **Appointments Required**- Contact the Vendor directly to make an appointment for a design consultation. Let your consultant know that you are a client of GMG Services.
2. **Placing Your Order**- Contact our Purchasing Coordinator, Logan Goolrick by email at [Logan@gmgservices.com](mailto:Logan@gmgservices.com) or by phone at [703-517-1394](tel:703-517-1394), if you have any questions or need assistance and also once your order with the Vendor is finalized and you are ready to place it. Orders will be processed with GMG. Payment in full is generally required at the time of order. Keep in mind that some items, (i.e. vanities, kitchen cabinets), do have a substantial lead time. Your Vendor can verify the lead time on all your selections.
3. **Credit Cards**-We accept Visa and Master Card as payment for all your Owner-provided items without any additional processing fees.
4. **Tile Quantities**- Once you have selected your tile and design, GMG will finalize quantities directly with the Vendor. In order to keep your costs to a minimum, we make every effort to estimate the material quantity requirements as closely as possible. However, field conditions, tile, and pattern(s) selected will affect how much material is ultimately needed. It is possible that more tile and/or setting material will be needed after the installation has started. Subsequent orders will be paid for by the Owner and processed with GMG.
5. **Tile Delivery Charges**- All tile orders will incur an initial delivery fee of \$150. Subsequent tile pick up and deliveries, if needed, will incur a \$50/delivery fee.
6. **Delivery Charges For Other Owner-provided items**- At your request, any other Owner-provided items may be picked up and delivered by GMG for a fee of \$75/delivery.
7. **Freight Charges**- The client is responsible for all freight charges imposed on by Vendor, if any apply.
8. **Return Policy**- All orders are subject to the applicable Vendor's return and/or re-stocking fee policy. Special orders are generally non-returnable.
9. **Countertops and Shower Enclosures**- Countertops and shower enclosures are field measured, fabricated and installed by the Vendor. The field measure is not done until field conditions warrant it. At your request, GMG will coordinate the appointment but we do recommend you be present at the time of field measure to ensure that the final product will be exactly as you want it. To reserve your slab, you will initially be quoted a "per square foot" cost. The deposit requested will be based on the estimated square footage and is subject to change after final installation. The final cost is based on the square footage of the finished product, counter layout and the edge(s) selected.
10. **Disclaimer**- While we recommend these vendors because of our previous experience, successful working relationship and positive customer feedback, GMG Services Corp makes no representation as to the accuracy of the information contained herein nor to the quality of the Vendor's products and/or services, nor is GMG Services Corp responsible as such. GMG Services Corp is not responsible for defects, omissions, losses and/or delays in any Owner-provided items. We reserve the right to apply a 25% mark-up fee to any items that GMG is requested to coordinate and/or purchase on behalf of the Owner.
